SEB initiates commissioned research on Curasight A/S

Copenhagen, Denmark, 18 June 2021 – Curasight A/S (“Curasight” or the “Company”) has entered into an agreement with Skandinaviska Enskilda Banken AB (publ) (“SEB”) on commissioned research coverage.

Starting today, SEB will initiate its commissioned research, meaning that SEB will continuously monitor and analyze Curasight’s operations, products, markets, and competitors.

The initial research report is available [here](#)

Curasight is a clinical development company based in Copenhagen, Denmark. The company is a pioneer in the field of exploiting a novel Positron Emissions Tomography (PET) imaging platform targeting the urokinase-type plasminogen activator receptor (“uPAR”). The technology is expected to improve diagnosis and risk stratification in multiple cancer types.
